MUSIC OF THE NIGHT

MUSIC OF THE NIGHT is a student directed, choreographed, and produced Broadway musical revue that is now nine years in the running. Every year, four directors are chosen by the directors of the previous year to fill the next slot. Directors are chosen based upon leadership ability, talent, and their way of working with other people. "MOTN" has become one of the most popular traditions at Santa Barbara High School, causing quite a hype during the high school "teaser" shows, and allows students to fully test their talent and leadership qualities sans adults. The directors run auditions, choose songs, organize rehearsal schedules, choreograph, teach music, and ultimately pull together the entire show based on their own personal knowledge of the theatre. All performers must be extremely dedicated to remain in the show. They often give feedback and opinions that greatly alter the outcome of the final performances (this show is no monarchy, and all feedback is greatly appreciated by students). Ultimately, the directors simply guide the show and get it up and running while the student performers bring the power, talent, and ambition to make it such a success. Rehearsals begin mid-November and continue – picking up speed and intensity – until the show dates. Music Of The Night is a truly unique process in which the "kids" find themselves in charge of every aspect of their show.

Don't leave us in the dark.

The SBHS theater's light board is fading fast.

It needs to be replaced ASAP.

Please help us raise the \$15,000 needed to purchase
this ESSENTIAL piece of equipment.

*Please help SBHS's theater lights
continue to shine!*

Make your checks payable to SBHS Theater Foundation

(in memo: Conga Light Board) All donations are tax deductible.

Send to SBHS Theater Foundation, 700 East Anapamu, SB, CA 93103

A NOTE FROM THE DIRECTORS

“Shhhhh!”

“Be quiet!”

“SHUTUP!”

Within the past eight weeks, our cast members have become intimately acquainted with these frantic shouts for silence, usually made by a red-faced director – voice hoarse from constant “Hum your notes!” and “5, 6, 7, 8’s!” As we sit here and write this, we drift off to sleep, listing incessant school pressures, prop lists, and future show related chores. These last few weeks have undoubtedly been the most trying times of our lives – balancing twelve, thirteen, and even fourteen hour days on top of our school work, social lives, and family time. We’ve drifted far from reality, missing birthdays, family dinners, school project meetings, and yearning for the sight of our parents whom we’ve rarely seen since rehearsal number one. Fighting and pushing beyond our limits, we now float in a zombie-like state of mind. And yet, we’re content. We have brought together an amazing group of young adults – however loud – and created a show ebullient with energy, laughter, and motivation. Although we’re not working with professional actors, dancers, and opera singers, each cast member possesses a drive to master the difficult choreography and harmonies that are required to pull off songs from these Broadway shows. We are so honored to have been able to work with everyone in this show and are proud to say that this cast is truly talented. Let’s dance, strip, sing, hum, bumble, and scream our way to the finish line. We love you guys!

Hugs, Kisses, and “Bambi”,

Kso, Kendra, Jana, and Michael

strikingly unconventional and I love you for it!!

-dad

What if **you** could **effortlessly** donate to the SBHS Theater Foundation every day of the year for **free**! Take an important step in **enhancing** our fund raising efforts!

Here's How it Works

- You register any one or all of your existing grocery loyalty, debit and credit cards for use in the program.
- Participating merchants will make contributions to the SBHS Theater, based on purchases made by you, just by using the cards you have registered.
- Your purchases are tracked and available to you online, allowing you to see just how much you are earning on the Theater's behalf!

Potential Earnings: Based on 50 supporters spending \$400 a month at participating merchants (ie Vons, American Airlines, Macy's...) the Foundation would receive \$12,000/year from escrip. Now double the supporters and double the gift!!

Make your purchases make a difference!
